**Unpaid Workers Community Payback Scheme**

The Parish Council has arranged with the Northamptonshire Probation Service for a supervised group of Unpaid Workers to visit Brafield on four Saturdays : 24 September and 8 22 29 October. They will be carrying out work in the public areas around the bus shelter on the Billing Road, along the Bridle Path through the village, and around the Sargeant Memorial Hall. They will be trimming shrubs and overhanging branches, cutting back verges and strimming undergrowth etc. They should be here (weather permitting) from approximately 10 a.m. – 4 p.m. each day and be using the Village Hall as a base for refreshments etc. All waste will be cleared into 'Hippo' bags and removed shortly afterwards.

If you have any concerns please contact Helen Barnell 890373 or Gill Ager 891488. On previous occasions residents have made the Unpaid Workers very welcome and were pleased with their contribution to the village.

If there is further suitable work available we may be able to arrange more visits in the future. Please let Helen know if you have any suggestions for appropriate work in any of the public areas around our village.

**Highways Issues**

**Billing Road/Horton Road Junction:** Several people have commented on how dangerous this junction is at the moment as the road markings have faded. NCC has said that the white lines are being repainted at the end of September or beginning of October. We did ask, yet again, about the possibility of a roundabout and we have been informed that there are no plans to install one in the foreseeable future. Our contact at NCC has been in touch with the Road Safety Team who have said that this particular junction is not giving them any cause for concern at present.

**Green Rd/Mere Close/Park Close/Furze Rd Area:** The Parish Council has for many years asked that NCC gives consideration to resurfacing both the roadway and the footpath in this area to no avail. Following a complaint from a resident we have again contacted both the Council and Councillor Michael Clarke to ask for attention to be given to this area. If you, too, have experienced slips and trips due to uneven footpaths on these roads then please report the matter to STREET DOCTOR as a matter of urgency on 0845 601 113.

**Police Matters**

A property in Church Lane, Brafield was broken into in the early hours of Wednesday 21 September. The residents were awoken by their alarm and the intruder was seen making off down the driveway. Please be vigilant in ensuring your property is as secure as possible using locks and deadbolts, and that alarms are set where appropriate.

During the evening of Friday 16 September, barns at a farm near to Yardley Hastings were broken into. An attempt was also made to break into a business in Yardley Hastings at around the same time.

Diesel was siphoned from two tractors at a property in Station Road, Little Houghton overnight on Thursday 15 September.

Anyone with information please call the Police on 03000 111 222 or alternatively, information can be given anonymously to Crimestoppers on 0800 555 111.

**B.T. Scam : Beware!**

So what happens?

You receive a call claiming to be from B.T. informing you that they are disconnecting your 'phone because of an unpaid bill. They demand payment immediately threatening that it would cost £118 to re-connect you at a later date.

When you question them, they demonstrate that they are from B.T. by asking you to hang up and then try to make a call. You find your 'phone is dead – until that person rings you back.

You may say you're with a different company, Virgin Media for example, only to be told that V.M. has to pay B.T. a percentage for line rental.

Having apparently proved they are genuine, they then demand immediate payment by credit card. (They just want your credit card details and security number to use themselves).

The disconnection of the line is simple - they stay on the line with the mute button on and you can't dial out – but they can hear you trying. When you stop trying they cut off and call back.

Don't allow yourself to become a victim of fraud.

**Please beware and warn others.**

**Replacement Bus Service Billing Road Brafield**

The County Council can no longer justify subsidising the Y4 Yorks coach service between Northampton and Wollaston because of the low user take up. This has now been replaced by a minibus service (ROY 43) operated by 'Roy's Minibuses' of Finedon. This is more economical though still subsidised by NCC. Both the route and the times have changed as shown below. They operate low floor minibuses for ease of access. There is no service on Sundays or Public Holidays.

**Do you have Payroll Experience? Can you help?**

With a change in regulations the Parish Council now has a duty of care to register as an employer with Her Majesty's Revenue and Customs, and is urgently looking for someone with payroll experience who would be prepared to run a small payroll for the P.C. on a voluntary basis. This is principally to cover our Clerk as a paid employee. We anticipate that this will be only a few hours work each year and would help us maximise our precept to the benefit of the Parish.

If you feel able to help or would like to discuss this further please contact Gill Morgan
