Dear Sir/ Madam,

**West Northamptonshire Emergent Joint Core Strategy – Consultation
Questionnaire Corrected**

Following the issue of the West Northamptonshire Emergent Joint Core Strategy consultation on the 31st July 2009, there have been some errors identified in the accompanying questionnaire which affects a small number of questions. This in no way affects the actual published document or electronic consultation document.

The following measures are being implemented in response to legal advice and are considered to be a fair and proportionate response to this unfortunate error.

In line with this legal advice, a list of the corrected questions (as set out below) is being issued with the amended questionnaire and the consultation period has been extended until **Wednesday 30th September at 5pm**. Corrected questionnaires are being circulated. Questionnaires that have already been returned **will not** need to be resubmitted; those respondents will be contacted directly.

The questions affected are:

Question 22: The reference to the table should read - 'Table 6.1: Levels of Affordable Housing - from Affordable Housing SPD sites of 15 or more dwellings'.

Question 23: The box should read - 'Please provide reasons for your response:'
